HILDY BOWBEER

United States Magistrate Judge

¹ Because of the relatively short time between the last deadline for rebuttal disclosures and the deadline for completion of expert depositions, as well as the intervening holidays, the Court expects the parties to cooperate in the scheduling of expert depositions in order to meet this deadline, including, where appropriate, the scheduling of some expert depositions before all expert reports have been served.

² The parties shall call Chief District Judge John R. Tunheim's chambers shortly before filing their dispositive motions to obtain a hearing date, and shall include that hearing date in the notice of motion. All dispositive motions and supporting documentation (notice of motion, motion, exhibits, affidavits, memorandum of law, and proposed order) must be served and filed by the moving party on or before the dispositive motion deadline set above. All dispositive motions must comply with Local Rule 7.1. Responses to dispositive motions shall be filed with the Court and served on or before **21 days** after the service of the supporting memorandum to the original motion. Replies to responsive briefs shall be served and filed **14 days** after the service of the response to the dispositive motion.
